

Statement of Purpose

Introduction

My name is Bristo Thomas, and I am an Indian graduate with a Bachelor's degree in Commerce from St. Aloysius college. I am excited to apply for the Master's in International Finance at Paris school of business in France. With a solid academic foundation and a keen interest in global financial markets, I aim to enhance my expertise in this dynamic field.

Following my graduation, I worked at ESAF BANK as Assistant manager, Risk and cash officer and Customer service Executive From 10/05/2020 - 21/07/ 2022 In these role

And also worked at CSB BANK as Assistant manager For One year.

I was responsible for,

- *Directing and executing branch activities including expanding the existing customer base, operational efficiency, sales, and service (fixed Deposit, Recurring Deposit, CASA, Life Insurance, Gold loan, Personal Loan, Housing Loan)

- *Support the bank manager with day-to-day tasks to ensure that the branch operates to the highest standard.

- *The key focus of the role will be to assist with monitoring the everyday operations of the branch, oversee the team members working in the branch, and prepare timely performance and productivity reports for the Branch head

- *Supports staff results by communicating job expectations and planning, monitoring, and appraising job results. Helps to coach, counsel, and

- discipline employees. Aids in developing, coordinating, and enforcing systems, policies, procedures, and productivity standards.

- * Collecting payments in cash or credit

- * Handling transactions

- * Answer customer questions

- * Cross-selling and up selling products

- * Manage transactions with customers

- * Resolve customer complaints

- * Doing payment vouchers

- * Review loan requested
- * Depositing the money in bank
- * Monitor progress of existing loans
- * Collection of current dues
- * Evaluate credit worthiness and risks
- * KYC verification

This experience not only enhanced my analytical and problem-solving skills but also provided me with a practical understanding of how international financial markets operate. Collaborating with cross-functional teams helped me develop strong communication skills and a global perspective on finance.

Reasons for Choosing France

France is a global leader in finance and home to several international organizations. The country's strategic location in Europe and its diverse economy provide a rich environment for studying international finance. Additionally, France's commitment to innovation and sustainability resonates with my values, making it the ideal place to pursue my studies.

Reasons for Choosing Paris school of Business

I am particularly drawn to Paris school of Business due to its esteemed reputation in finance and its emphasis on a global perspective. The curriculum, which integrates theoretical knowledge with practical applications, aligns perfectly with my career aspirations. I am particularly excited about courses like Masters in finance, which will deepen my understanding of global financial systems. Furthermore, the university's strong network of alumni and industry connections will provide invaluable opportunities for internships and future employment.

Reasons for Choosing the Course

The Master's in International Finance program at Paris school of finance is particularly appealing to me due to its comprehensive curriculum that combines theoretical knowledge with practical applications. I am eager to gain insights into global financial markets, risk management, and investment strategies. The program's focus on international regulations and ethical finance is vital in today's complex financial landscape, and I believe this knowledge will equip me to navigate the challenges of a rapidly changing industry.

Future Plans

Upon completing my Master's in International Finance, I aspire to work with multinational corporations or financial institutions in roles focused on investment strategy and risk management. In the long term, I aim to contribute to sustainable investment practices that address pressing global

challenges, such as climate change and social inequality. I believe that the skills and knowledge I gain at [University Name] will empower me to make meaningful contributions to these efforts.

Conclusion

I am enthusiastic about the opportunity to join Paris school of Business, France and contribute to its vibrant academic community. I am committed to excelling in my studies and leveraging my education to make a positive impact in the field of international finance. Thank you for considering my application.

Sincerely,

Bristo Thomas
