Dear Namitha Chandran

Hereby, we confirm that you successfully applied for governmental health insurance at DAK-Gesundheit. Your data has been safely forwarded.

Governmental health insurance only takes effect after official enrolment at the university of your choice, please note that it is essential to follow the instructions in your Fintiba account. Don't worry - the Fintiba Plus package will cover your health insurance needs at any given time. Along with the preparations for your stay in Germany, you will be guided through the process step-by-step. Also feel free to check out the Fintiba Companion, which is a part of your Fintiba app and provides you with a checklist that covers the most important steps on your way to Germany.

DAK will register you electronically at your university as soon as we have received an official admission letter for your main course of studies.
