Subject : Application for Long Stay student VISA for studies in Latvia.

Respected Sir/Madam,

I, Gishna Mohan, (Indian Passport No.X 4546162) and I have been offered admission for MSc Business Finance, at Riga Technical University, Riga in Latvia. The degree program is fully taught in English and the total duration of the programme is 2 years.

I selected this university because I am very much confident that, this is the best place for me to study and gain the maximum. It is also known as one of the best university in the field of Business Studies and also Latvia is one of the top destination which attracts with its lively vibrant culture. When I visited their website I found that this university stands at top for its uniqueness.

I strongly believe that studying in Riga Technical University will me to achieve my dreams. Therefore my aim is to serve my country in future and make it a better place. Hence, all expenses throughout this academic year will be handled by me.

After my successful completion I will return to my home country India to start in my career in Business Finance field honed with skills and knowledge with advanced technologies.

As mentioned in the checklist, please find the following documents to support my visa application.

Enclosures:

1. Visa application form with photo.
2. Copy of Passport data page
3. Confirmation letter approved by OCMA
4. Signed study agreement
5. Proof of accommodation
6. Copy of academic documents
7. Air ticket reservation
8. Travel Insurance.
9. Hello verify receipt
10. PCC
11. AIC certificate

I hope my application will be enough for a favorable response, and I look forward to hearing from you.

Best regards,

GISHNA MOHAN
