To

The Visa Officer
The Consulate General of the Federal Republic of Germany.

Subject: Application for German Student Visa for self (Passport Number: U1167005)

Respected Sir/Madam.

I, Ridima Gangrade, a Bachelor Degree Holder in Mechatronics(B.Tech Mechatronics) from University of Petroleum and Energy Studies, would like to submit an application for German Student Visa along with this letter. I have received an admission letter from Hochschule Schmalkalden- University of Applied Sciences for the M.Eng. Mechatronics and Robotics program (English Taught) in the Winter Semester 2024.

The duration of the program is 2 years, with no tuition fee, which commences on 7 October 2024 as per the admission letter. I wish to leave to Schmalkalden before the starting of the semester. I have learnt that HS Schmalkalden provides one of the best Masters in Mechatronics and Robotics with an opportunity to have a high proportion of practical engineering training. I am eager to deepen my knowledge through hands-on learning in state-of-the-art laboratories equipped with the latest technologies and to apply this subject exposure effectively in future projects.

I intend to pursue my study in the university through the financial assistance from my parents. I have also created a blocked account with Expatrio amounting to €11,904.00 (Details as provided in the attached document) and a health and travel insurance.

I kindly request you to grant me German National Visa (Student Visa). As mentioned in the checklist, please find the following documents to support my visa application:

- Valid Passport
- A copy of Passport's data page
- Three Passport size pictures
- Curriculum Vitae (CV)
- Letter of admission from German University
- Proof of payment of study fees
- Proof of language proficiency in English
- Proof of German blocked account
- Travel health insurance

Thanking you,

Ridima Gangrade
