Subject: Application for Study Visa in Belgium

Respected Sir/Madam,

I am Murtaza Atayi, Passport No. O2428463, 25 years old, citizen of Afghanistan. I have completed my graduation from Sinhgad College of Science affiliated to Savitribai Phule Pune University, Pune, Maharashtra, India and I would like to apply for the student visa of Belgium.

I have been accepted by VUB Brussels in Brussels, Belgium for their esteemed master's course in Master of International Business. I have heard about the quality of education provided by the universities in Belgium and I feel quiet honoured to have the opportunity to study at VUB Brussels.

I chose this university in Belgium as it is one of the top notch prestigious educational destinations across the world. I believe that my knowledge in the field of Master of International Business will be ameliorated by pursuing this particular master's course as it would help me to achieve my career and personal goals.

My studies will be financed with the help of my parents throughout the duration of this course.

Along with this cover letter, you will also find the following documents.

- Visa Application Form
- Passport
- Photos

- Enrolment/Registration Certificate from University
- Proof of solvency
- Bank declaration and bank statements (6 months)
- Travel insurance
