Letter Of Recommendation

I am pleased to write this recommendation letter for Amitoj Singh. Being his teacher, I have always found him talented and academically strong. From day one he has impressed me with his ability to articulate about difficult concepts and texts.

Amitoj Singh is Insightful, sensitive and deeply self aware individual driven to explore various concepts. He has been a regular student who has been persistent in his efforts. His active participation in class discussions and various seminars made him attain a deeper understanding of the subject.

I am certain that Amitoj Singh is going to do many innovative things in his future. I highly recommend him for the admission in your prestigious Institution. I am confident that he will further attain excellence in the program he has applied for in your esteemed University.
