To Whom It May Concern,

I am pleased to recommend Mr. Jithin Varghese for the Care and Nursing program. As an IELTS Trainer and Manager at Jayz Career Developers from February 12, 2020, to September 20, 2024, Jithin demonstrated excellent leadership, empathy, and communication skills. His compassionate nature and ability to support individuals make him well-suited for a career in nursing.

I am confident he will excel in this program and contribute positively to the healthcare field.

Sincerely,

Jason Joseph
