Letter of Recommendation

I have known Mr. Advait Krishna R.N, S/O Mr Rajesh Babu K.K as a student, he had been studying in our institution since 2021-2023 for XI- XII for Humanities batch. I ensure that Mr. Advait Krishna R.N would be an excellent student. He was a bright and attentive boy in the class and in his work. He demonstrates that he is an intelligent and capable student with great potential. He has always been the best and respectful student in his class. I am confident that he will thrive in any academic program that he chooses to pursue. On the basis of his ability and his positive attributes, I recommend him without any reservations for admission to UG degree in any university deem fit with all possible finance assistance. We confirm that the medium of instruction was English in his Higher Secondary Course.

I wish him all the best for his bright academic future.
