RECOMMENDATION LETTER

I take this opportunity to put on record my impressions about my student **Mr. Jewel.P.George** As the Head of the Department of Computer Applications, I know him since 2019, when he joined in the college for **Bachelor of Computer Applications** Programme with **Reg.No:190021093049 (2019-2022 Batch)**. His hard work, honesty, determination and strong attitude have helped him developing a broad perspective and mastery over fundamentals. He has excellent oral and writing skills which were represented in project reports, seminars and class discussions.

Hence, I would strongly recommend **Mr.Jewel.P.George** for his admission at your university. I am sure that he will prove to be a best student and he would suit to the standards of your esteemed institution.

I wish him all the very best and success.

Thanking

Mr. ELDHO PETER
HOD- Department of Computer Applications
Nirmala Arts & Science College,
Mulanthuruthy.
