LETTER OF RECOMMENDATION

I am writing to express my enthusiastic support for SUKRUTHA.M., who was a diligent and dedicated student under my tutelage during her Bachelor of Pharmacy program at PES College of Pharmacy from 2014 to 2018. During her studies, she showed exceptional academic prowess, combined with a commendable work ethic and a genuine passion for pharmaceutical sciences.

Throughout her academic journey, Sukrutha showed an impressive understanding of various subjects in (pharmaceutical sciences, including microbiology, biotechnology, pharmacology, and pharmaceutical chemistry). Her grasp of these complex subjects was evident in her consistently high grades and active participation in classroom discussions and laboratory experiments. Moreover, she consistently displayed a keen interest in staying updated with the latest advancements in the field, showcasing her dedication to continuous learning and improvement.

One of Sukrutha's notable strengths is her exceptional analytical and problem-solving skills. She has consistently demonstrated the ability to critically analyze scientific data, identify patterns, and propose innovative solutions to challenging problems. Her proficiency in laboratory techniques and research methodologies further underscores her suitability for advanced academic pursuits.

Sukrutha's strong academic foundation, coupled with her analytical prowess and genuine passion for pharmaceutical sciences, makes her an ideal candidate to pursue a master's degree. I do not doubt that she will thrive in a challenging academic environment and contribute significantly to the advancement of knowledge in her chosen field.

I wholeheartedly recommend Sukrutha for admission to your esteemed institution's master's program. With her knowledge, skills, and unwavering dedication, I am confident that she will not only excel academically but also make meaningful contributions to the community through her research and professional endeavors.

Thank you for considering Sukrutha's application.

Sincerely,

Dr. Saravanan J
Dean, PES College of Pharmacy
EC Campus, Bengaluru-560050.
