Here you may state any other facts or additional information that are relevant for the application or for the coming of your spouse to Finland. You may enclose a separate appendix if necessary.

My spouse and I have been married for less than a year, and we really need to be together. Both of us have a good financial situation, so we can support ourselves when my spouse comes to Finland. I am studying for my Master's at the University of Vaasa, and we have a good accommodation ready for us. We plan to help each other adjust to life in Finland by learning the language and getting involved in the community.

I have a valid student residence permit, and with our combined finances, we are ready to start our life together here. Being together is very important to us.
