### TO WHOMSOEVER IT MAY CONCERN

I am lettering this recommendation in support of Rayala Harinaidu who is applying for a postgraduate program in your esteemed university. He has completed under graduation (2014 – 2018) in Electronics & Communication Engineering from SASTRA Deemed University. I know him while he was studying at SASTRA Deemed University.

I have taught “Engineering Mathematics III and Engineering Mathematics IV” in his third and fourth semesters. During the course of my teaching, I have noticed an intrinsic talent for learning in him. As a student, he was committed and hard-working. Considering his potential, aptitude and keenness to learn, I feel that Rayala Harinaidu is fit candidate to pursue higher studies.

Wishing all the success in his future endeavours.

Thank you
