ABOUT ME

Afreen P Sajeev I was born on July 12th, 2002 and raised in Kerala, India. I carry with me the essence of this place---its culture value and the lessons it has taught me. They instilled in me value such as hard work, respects towards all human beings. I am also a very straight and honest person. I am passionate about learning and spreading of knowledge. I study all forms of plant life, including fungi and algae, in the laboratory and their natural environment. According to me acquisition about subject matter means a lot. I believes in being humble and open to all peoples and thought and who works for the well being of society.
